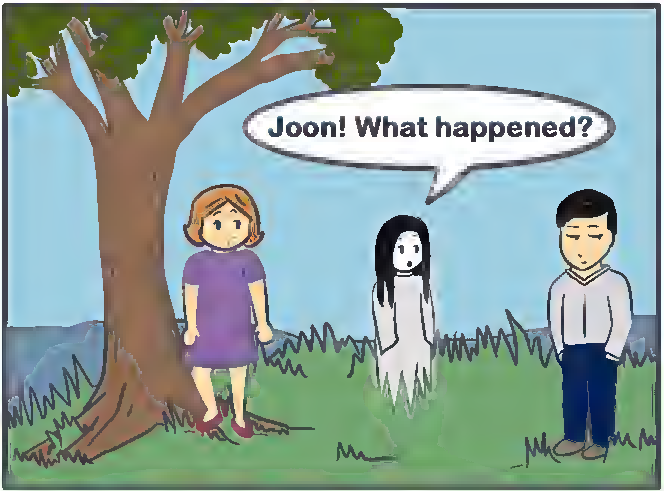
NICHOLALALA

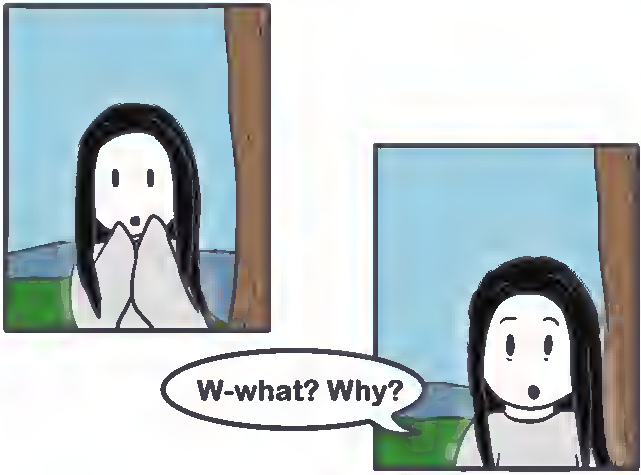


Joon! What happened?

Uh... look... I don't think this is going to work out.

What isn't going to work out?

Us. I think we should break up.

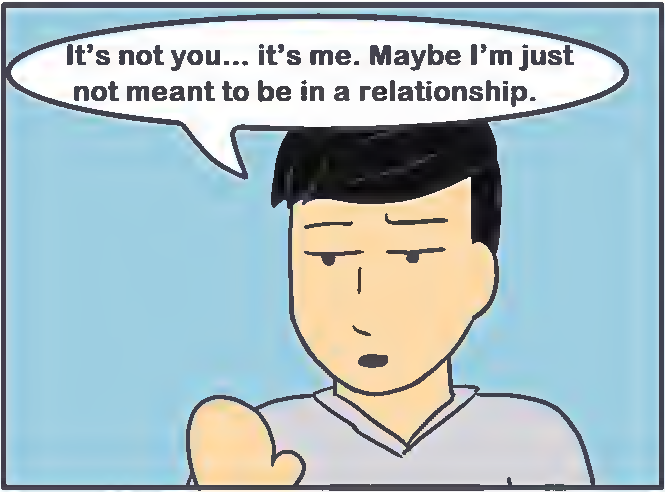


W-what? Why?

Things are going too fast-

-We can slow it down...
-it's not just that. I just don't want to be tied down

But you were the one who talked about being together forever first!



It's not you... it's me. Maybe I'm just not meant to be in a relationship.

But you said you loved me!
Well who really knows what love is...

I know! I love you! I waited hundreds of years for someone like you!

So where have you been?
I was so worried about you...

Just thinking about all this...
...and playing video games.

You knew I would be worried and you didn't care.

Look, I had a lot on my mind.
We can still be friends I guess...

SOB
SOB

I want to go do other stuff. Maybe travel. Not just stuck here with a ghost.
You are breaking my heart...

I don't know what I can say.
I just can't do this anymore.

UNBELIEVABLE!

I was worried because I thought you were a ghost hunter or a demon in disguise or something like that!

Instead, you are just an ordinary boy...
...The most disappointing thing of all!

To be continued
